**DSOs** have participated in data validation over the past few months, with more review anticipated, as files are migrated and confirmed by service agencies across Central East Region.

DSO CER has developed a new communication process for agencies. Each geographic region has a lead Service Navigator assigned to collect updates from agencies on their services and people supported. The central call lines will then be dedicated to urgent or immediate referral requests from agencies, and calls from individuals and families. Agencies will have the opportunity to provide feedback on this process in the new fiscal year.

As of January 1, 2018, service navigators are scheduled to be available by phone or email on designated days, during regular business hours, to help with some of the following requests:

- ◆ updating client contact information (e.g. address changes) and providing assistance to answer client questions
- ◆ addressing process-related questions and concerns
- ◆ scheduling an intake with a client/family
- ◆ updating new and existing resources for funded and fee-for-service options

Lead Service Navigators:

SIMCOE COUNTY: Valerie Brigstocke, ext. 2438

YORK REGION: Kyla Dover, ext. 2215

DURHAM REGION: Jennifer Betterton, ext. 2437

HKPR: Tania Pollard, ext. 2333
